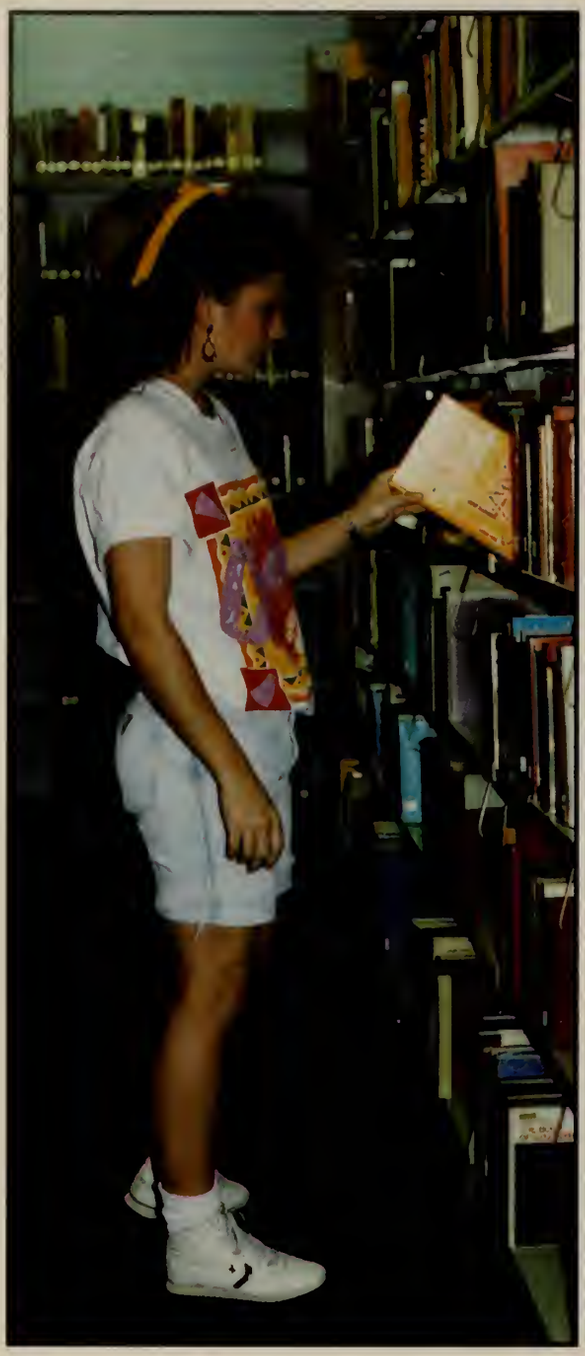
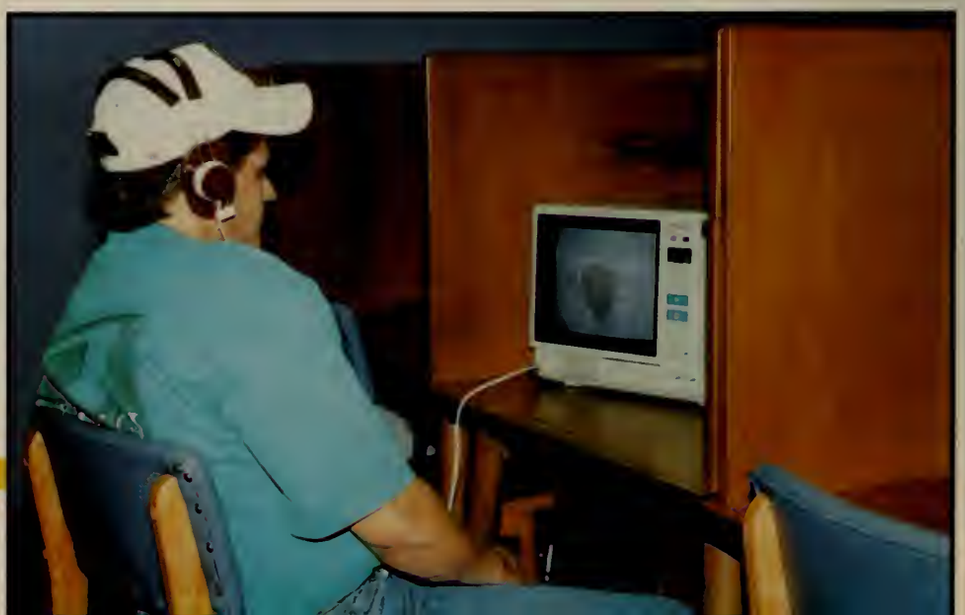
Library Served Many Purposes

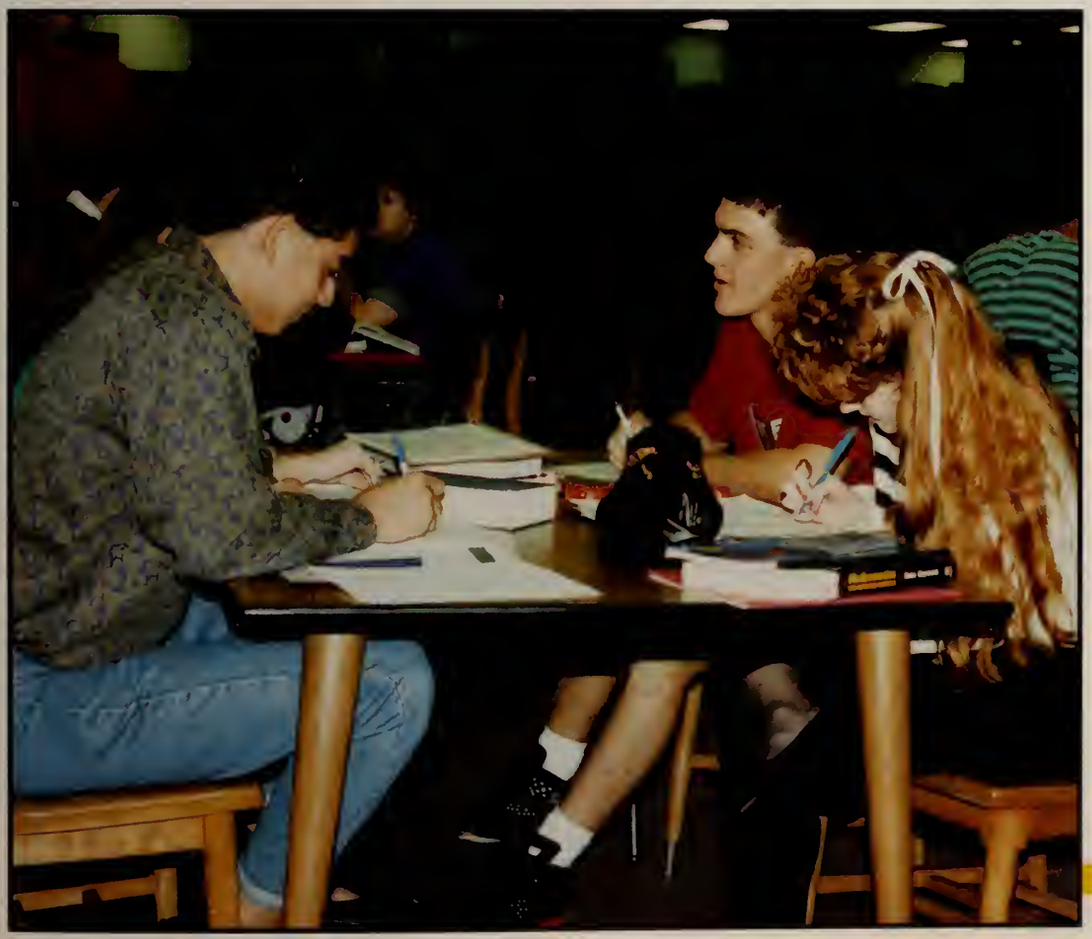


Photos by Robin Seal

At the top left, Rachel Fillingame, a freshman from Bay St. Louis looked for the perfect book for a World Civ. I report. At the top right, Debbie Boyd, a sophomore from Bogalusa majoring in accounting used the card catalog to find some good books for an English term paper. To the right, Tommy Graeter from Picayune watched a film in the libraries media center.



The students on these two pages are just a few of the many PRC students who had the pleasure of using the newly remodeled library. The construction consisted of new paint, carpet furniture and an additional media center bringing the total square feet of library to 25,000 feet. Many new books were also added to the library.



At the top left, a student studied for an exam. At the top right, two students used the copy machine located in the back of the library. Copies could be made for 10¢ each. To the left, students Eddie Gore, Alicia Bounds, Kevin Donald and Jennifer Dossett took advantage of the quiet atmosphere to catch up on some homework.

Fall Fest Ruled a Success

The weather could not have been nicer for the annual Fall Fest held October 1, 1991 on the lawn of the library. The counselors sponsored the event as they do every year.

Each counselor had a chance to talk to the students to inform them about the various services offered.

This year's entertainment was exceptional. There were several students as well as a couple of teachers that performed. The student performers included Sandra Blackwell, Stephanie Engle, Denise Frierson, Amy Jones, Candace Jones, Lisa McGee, Sheri Rhodes, Elisha Sterling and Anna Whelch. Teachers who performed included Buddy Elbers and James Lee.

The food was prepared by the cafeteria staff. Burgers, hotdogs, chips, cookies and cake were among the various foods served. The students really seemed to enjoy the food and opportunity to eat outside while visiting with their friends. All in all, the day was enjoyed by everyone.

Perk Week Spirit Shines Through

Perk Week was definitely an exciting week at PRC. The entire week was fun, but the real excitement began Thursday evening. The Perk pep rally was held in the Marvin R. White coliseum around 6:30. Many students, parents and faculty members were on hand to show their Wildcat spirit.

During the pep rally, the cheerleaders rowdied up the crowd with some Perk Chants. Heidi Johnson, the captain of the cheerleaders, called down some football players and other students from the audience to do a relay race. Then the PRC flag corps performed. After this, an unexpected visitor, the Perkinston Bulldog made an appearance. "W.C. Rivers", portrayed by Mike Clemons, threw some cold water on the Bulldog and Troy Smith, a PRC security guard, escorted him out of the coliseum.

After the pep rally, everyone prepared themselves for the huge shaving creme war ahead. This took place on the practice football field. The students got pretty messy, but everyone enjoyed it. Perk Week 1991 will always be well remembered.

Below, Scott Wainwright spun around on a bat as part of a game during the Perk pep rally. To the right, Scott realized running was not so easy after spinning around 18 times on the bat. At the bottom of the page, the Wildcat cheerleaders pepped up the crowd at the rally.

At the top right, Cassondra Mills and Allison Strahan performed with the PRC band at the pep rally. Above, Shea McNease, Anthony Stuart, Mitchell Daley and Greg McNease modeled their Perk Week shirts designed by Sandy McCarty and Susan Sones. Center Used For Many Purposes

The Student Center at PRC is a very busy place. Many go there to study for upcoming tests, while others go to eat and socialize with friends. Whatever the case might be, the center is a nice place to go to get away for a while.

PRC's Grill, located inside the student center, offers a bit of variety from the usual cafeteria foods. They serve burgers, ham sandwiches, chili dogs, fries along with many other foods.

The center also houses the bookstore, the campus security headquarters, the college operator and student restrooms.

Extravaganza Five Raises $47,000 for Foundation

The Development Foundation raised more than $47,000 during its fifth annual River Extravaganza held in Poplarville on Sunday, April 26, 1992.

It was an evening of food and entertainment to raise money for student scholarships, teacher enhancement grants, small pieces of classroom equipment, and other educational materials.

Even during slow economic times the Foundation has raised $170,000 from private sources during the current 1991-92 school year. In less than five years the Foundation has generated nearly $800,000. And the figure does not include a $400,000 land donation.

"Your contributions will have a direct influence on our students," said Dr. Ted Alexander, president of the college. "The money is going where it is needed most. By your participation more people will have the opportunity for a better quality of life."

Fourteen area restaurants provided the food for the 650 patrons who paid $25 each for the evening. Countless supporters, throughout the college's six-county supporting district, donated more than $35,000 in auction items. Other companies made cash donations to the event.

Harold Myatt of Purvis spent the most money during the night as he paid $8,000 for a camp house which was built by donated materials by PRC vocational students.

The food booths were set up around the perimeter of the Marvin R. White Coliseum floor and served up healthy portions of boiled crayfish, fried catfish, fried and raw oysters, shrimp dishes, barbecue, steak and roast beef, Greek dishes and various appetizers, side dishes and desserts.

The restaurants supplied the food and the staff to serve it cost-free to the college.

Participating restaurants and food suppliers included Bradford Seafood of Pass Christian, Chappy's of Long Beach, Don's Seafood of Picayune, Four Star Pizza of Poplarville, Kermit's Kabin of Bassfield, Lau Tori's of Sumrall, Layne's of Waveland, Lil Ray's of Waveland, Paul's Pastry of Picayune, Strick's of Hattiesburg, The Reef of Bay St. Louis, Western Corral of Columbia, Etcetera (Morrison's) of Poplarville, and Magnolia Steak House of Picayune.

Auctioneer Bill Davis donated his time to handle the auction and Jeff Lawson and Gurvir Dhindsa, news anchors for WLOX-TV 13 on the Mississippi Coast, served as emcees for the evening. Lawson has participated in all five events.

Country music recording artist Jo-El Sonnier was the guest entertainer for the event. Dealer's Choice, a local band, played during the food segment of the evening.

"There is so much love in the community for Pearl River College," said Donna Wilson, the executive director of the Development Foundation. "An event of this magnitude could not be possible without the assistance of hundreds of individuals."

The Extravaganza Committee is chaired by Jeanette Crain of Columbia. The Executive Committee consists of Co-chairs Berlon Lee and Ott Brockman and Homer Moody, secretary/treasurer of the Foundation.

The Coaches Profiles

Football Coaches

First year head coach Willie Coats and his staff led the PRC Wildcats to a 6-4 season in 1991. The PRC coaching staff included Mitch Rodrigue, Mike Humphreys, Bill Martin, Carlos Powell, Herbert Morris.

Powell, a graduate of the University of Southern Mississippi, worked at USM as area coordinator for the National Youth Sports Camp, serving as recruiter coordinator over nine counselors. He also worked as a camp counselor and taught the fundamentals of football at USM. Powell coached wide receivers and tight-ends for head coach Jerome Barkum at Miles College in Birmingham last fall.

Rodrigue, a graduate of Nicholls State University, was a student assistant coach there. He also assisted with coaching the offensive line and helped with recruiting at USM. He served as offensive line coach and world geography instructor at East St. John High School.

Morris has been a part of the PRC coaching staff since 1964. He has served under head coaches Dobie Holden, Harvey Seligman, J.C. Arban, Mike Nelson and Coats. Morris is a 1957 graduate of Poplarville High School, and a graduate of USM. Morris retired this year.

Martin completed his seventh year at Pearl River. Prior to joining the Wildcat staff, he served as athletic director and coach at George County High School in Lucedale where he posted an overall record of 139 wins, 57 losses and three ties. He earned three Desoto Conference titles. Martin also announced his retirement this year.

Humphreys completed his third year with the Wildcat coaching staff. He coached five years at Florida high schools including two years at Pensacola and three at Woodham High. He served two years as an assistant at Nicholls State before coming to Pearl River.

Willie Coats

Baseball Coach
Jim Nightengale

James H. Nightengale, a former assistant at William Carey College, completed his fifth year at the helm of Pearl River's baseball program.

A Long Beach native, Nightengale was an all-star baseball and football player in high school, earning all-conference honors in both sports from his sophomore to senior years.

At Gulf Coast Junior College, he was a first-team All-American baseball player as a sophomore. He was also the quarterback for the Bulldog football team. He played his last game here against Pearl River, breaking his hand in the 1981 Homecoming game, and missing the rest of the season. PRC won the game 14-10.

As a William Carey Crusader, Nightengale was an all-district player when the squad took the District 30 Championship in 1983 and '84.

While at Carey, he received his bachelor of science degree, as well as a masters in education and social science.

Nightengale became an assistant to Carey's coach Bobby Halford in 1985.

Ladies Basketball Coach
Polly Kirkland

Polly Kirkland completed her fifth year as head coach of the Pearl River Community College Lady Wildcats basketball team.

Kirkland, a two-time coach in the Mississippi Junior College All-Star game, played basketball at the University of Southern Mississippi and Delta State University.

Kirkland served as graduate assistant at USM. She is an honor graduate of Horn Lake High School.

She has a major in math education and physical education from USM, as well as a master's degree in physical education and athletic administration.

In the past five years since Kirkland's arrival at PRC, the Lady 'Cats have posted four winning records. Last year, the Lady 'Cats posted a 17-8 winning record and came out 6-6 in the South Division.

Including her overall high school and junior college record, Kirkland amassed a total of 222 wins and 132 losses going into the 1991-92 season.

In addition to her coaching duties at Pearl River, Kirkland also teaches math and coaches the Lady Wildcat Softball Team.

Mens Basketball Coaches
Richard Mathis

Richard Mathis, a two-time state champion coach with one regional championship to his credit, plus one national runner up and five top twenty national finishes, is head Wildcat basketball coach at Pearl River College.

Mathis was administrative assistant men's basketball coach last year at Mississippi State University.

The new PRC coach, a native of Meridian, is replacing Peter Georgian who resigned in July to return to Wiggins to coach the Stone County Tomcats.

Mathis has had considerable success on the high school, junior college, Division II and Division I levels. For the last seven consecutive seasons he served as a head coach, his teams averaged 24 wins and 6 losses per season.

For the last eight seasons the teams which Mathis was associated have qualified for the national tournament in their respective divisions, and that includes the 1991 Mississippi State Bulldogs who won their first SEC Championship and first NCAA tournament appearance in 29 years.

At Mississippi State, Mathis handled scheduling, scouting, academic advisement and on-the-floor coaching for Bulldog head coach Richard Williams.

In 12 years as a head coach on the collegiate level, his teams have averaged 22 wins per year which include 262 victories and 83 losses.

PRC Mascot Mike Clemons

By Robin Jones

John Michael "Mike" Clemons, the mascot for the 1991-92 school year, is a freshman here at Pearl River. Mike is a 1991 graduate of Forrest County Agricultural High School, where he was the mascot for two years. When Mike is not busy being a fun loving mascot, he enjoys playing football, helping people, traveling, and most of all spending time with his family.

Clemons decided he wanted to be a mascot when he was a freshman in high school. He thought it would be neat to be the center of attention. Mike was the only mascot from Mississippi who performed at the Cotton Bowl. He enjoys being our Wildcat, basically because he gets to pick his own skit. Mike says, "It's just fun". Mike also enjoys playing Santa Claus and the Easter Bunny at Clover Leaf Mall in Hattiesburg during the holidays. The highlights of the year for Mike were the Alumni luncheon at Homecoming, the Smoke-Outs, the Fall-Fest, and the Spring Fest. Mike's most memorable times at PRC were Homecoming and Perk Week.

Mike prefers football games over basketball when he is catting around, even though he claims basketball games are easier. When Mike started out, he was concerned about the space because of being confined to the gym. He did not know what to do, but it all worked out for him. Mike likes the crowd at the games.

One of Mike's greatest assets is the fact that he loves to be around all ages of people. When Mike is the Wildcat, he tries to get the crowd involved, which, he says, is the hardest thing to do. Mike comments, "It's hard to please the crowd, but I'm doing the best I can". Being the mascot has its ups and downs just like anything else. "There's always that one kid or one person that makes you feel good and that laughs at what you do," said Clemons.

Mike is undecided about next year. Whatever he does, whether he is at PRC or not, he wants to continue being a mascot. He is also undecided about his major, but he is considering the possibilities of an x-ray technician or a mortician.

Mike Clemons' goal is to make at least one person laugh. It did not take him long to accomplish that goal.

Keep up the good work, Mike, You're doing great.

Prez For A Day

Melissa Stewart, a freshman from Poplarville, discovered what it was like to be president of one of the fastest growing community colleges in the nation.

Melissa swapped places with Pearl River College President Ted Alexander as part of a fund-raising and awareness event of the Student Alumni Foundation. President Alexander attended Melissa's classes and she in turn dealt with deans, legislators and budget cuts.

Melissa's name was chosen from among 200 students who paid $1 a pop for a chance to serve as Prez for a day.

"This is a quality school. Just being a college is one thing, but there has to be a guiding force, because what starts at the top ends at the bottom — that means an excellent president, staff, faculty and student body."
Marshall Johnson

To the left, Charlotte Odom, prepared to pin one of the nursing students. Below, Wayne Cameron from Lumberton got pinned during the ceremony. Beside Wayne is his wife Charlene. On the opposite page is the crowd at Pearl River's 1991 graduation. Diplomas and certificates of proficiency were issued to 565 graduates, surpassing the 1989 record of 505. A capacity crowd was on hand in the Marvin R. White Coliseum to witness the formal commencement. The graduation was the largest one in the history of the college.

"Pearl River has an outstanding nursing program with a reputation that extends the boundaries of this state."
Krista Kay Wade

"The River experience for me was not only gaining knowledge through classes but life as well."
Shannon Walker

Extravaganza IV Super Successful

At the top of the page, Channel 13 newscasters Gurvir Dhindsa and Jeff Lawson, and Jeff's Financee observed the large crowd. Above, Karen Jones, a student from Lumberton, sang "I'm Proud to be an American" to the guest. Above, T. Graham Brown signed a guitar to be auctioned off during the Extravaganza Auction.

At the top of the page, Jo-El Sonnier and T. Graham Brown display a cake made especially for Graham. The cake was done by Paul's Pastry in Picayune. To the left, T. Graham performed for the record audience. Above, Brown posed with Chappy from Chappies restaurant in Long Beach.

Spring Sports

After four long years of knocking, the Pearl River College Wildcats were on the verge of tearing down the elusive state community college baseball title door.

By beating North Division champ, and defending state champion Mississippi Delta (6-4) Friday and then arch-rival Gulf Coast (5-3), the nation's third-ranked team, on Saturday, PRC Coach Jim Nightengale had his Wildcats almost inside the hallowed baseball championship room.

The 1991 Wildcats were about to go where no other PRC baseball team had gone since 1939.

But by the time huge early evening thunderstorms rolled into the Mississippi Coast, the Mississippi Delta Trojans had rolled over Pearl River.

Mississippi Delta swept a tripleheader Sunday, defeating Mississippi Gulf Coast 5-3 and Pearl River 8-2 and 4-2. The Trojans defied all odds by winning the 99 Mississippi Community College Baseball Championship through the losers bracket.

"We get closer every year," said a frustrated Nightengale. "I really thought we were ready to take it all this year."

Rain played havoc with the scheduling of the games over the weekend. On Friday games were played at the Mississippi Gulf Coast field in Perkinston; however, Saturday morning storms sent all four teams hunting a dry field further south.

Saturday games were first rescheduled for 12 noon and 4 P.M. at Hollis Field in Biloxi and then reset for 4 and 8 p.m.

A little after midnight Saturday, the Wildcats set the stage for Sunday's showdown.

Behind the pitching of Patrick James the Wildcats defeated the Gulf Coast Bulldogs 5-3. Earlier in the evening Delta defeated Northwest 10-9 in the ninth inning.

The Trojans trailed in that game 9-5 in the final inning before coming up with last second heroics.

In the first game on Sunday Delta defeated tournament favorite Gulf Coast 5-3. "I think our game against Gulf Coast took a lot of wind out of both our sails," said Nightengale. "It (the PRC vs Gulf Coast game) was a tremendous battle."

In the first game against Delta the Wildcats committed a couple of early errors which led to a quick 2-0 Delta advantage.

The Trojans picked up another run in the second, three in the sixth and two more in the seventh. The Wildcats only threat came in the last inning where they picked up two runs.

In the final and deciding game, PRC jumped to a quick 2-0 lead as Brett Rossler walked, Jamie Williamson singled and then both eventually scored.

"We wanted to get out front quickly," said Nightengale. "We just didn't expect to give up a homer to start."

With two out and one on, designated hitter Dean Goodwin tied things up with a 390 foot shot to left center off pitcher Scott Dease. The first inning ended tied at 2-2.

Pearl River left two men on in the third, fourth and fifth innings. In the bottom of the fifth the Trojans, with two on and two out, put Pat Roberts on with a walk. Tony Hancock then drove in Roberts from second.

PRC had a golden opportunity to tie things up in the seventh as Dustin O'Neal walked, stole second and advanced to third on an error.

The Wildcats had O'Neal at third with no outs. Rossler, the top of the order, hit a hard grounder to third and O'Neal was caught in a rundown to home plate.

In the bottom of the seventh, and again with two outs, the Trojans mounted another charge. It was Roberts getting another walk and then two straight singles drove the lead-off man in for the Trojans.

The Wildcats left two runners on in the eighth inning as both J.P. Morgan and Zack Pace walked.

The Trojans, with rain pelting Hollis Field, retired the side to win their second consecutive state championship.

The Wildcats, 27-16 overall, picked up the state's runner-up trophy and will be the number-two seed in the National Region 23 Tournament set for Friday in Meridian.

The Wildcats were also runner-up to Hinds in 1989.

Rossler Drafted By Mets

Pearl River College's Brett Rossler, a sophomore catcher from Toledo, OH, was drafted in the thirteenth round by the New York Mets last week.

Rossler, an all-state and All-Region 23 selection this past year, was signed by New York Mets scout Bob Rossi.

Rossler played in 24 games this past season while hitting eight homeruns and batting .360. He recorded 20 RBIs and scored 28 times.

The Wildcats, 28-18 on the year, were runner-up to Mississippi Delta in the state playoffs and participated in the National Region 23 Tournament in Meridian.

Columbia's Scott Morgan, who batted .333 and hit five homeruns, picked up all-state honors, as did Hattiesburg's Jamie Williamson. Williamson led the team in batting with a .400 clip, which included 12 doubles.

Morgan was also selected the top male athlete at Pearl River College for the 1991-92 school year.

Pitchers Scott Dease of Columbia and Pat James of Hattiesburg were named to the all-state honorable mention list.

Pearl River Golf Team Places Third In State

Reece Holford

Pearl River Community College's third place ranking in the Mississippi Community College State Golf Tournament was the highest finish ever for the school.

Hinds took top honors with a team score of 633 while Co-Lin's 636 nailed down second place. PRC's 656 on the Hernando Country Club course beat out Northwest by seven strokes.

Finishing fifth was Gulf Coast at 673; then Jones at 684, Northeast at 710, East Central at 713 and Itawamba at 803.

Herbert Morris, PRC's golf coach, said his team improved 10 to 15 strokes each tournament. "I'm really happy with our performance," said Morris. "Our players did an outstanding job."

John Huck of Picayune and Hamilton Holford of Lumberton shot 158s and that was good enough for a tie for third place in the individual standings.

Holford lost on the first hole of sudden death and Huck was eliminated on the second hole. Huck received all-state honors.

Both PRC players competed in the national tournament scheduled in June.

Jason Mitchell of Picayune, Rene Suarez of Forrest County and Sean Watts of Columbia made up the rest of the five-member team.

PRC placed sixth in the first tournament of the year and placed as high as fourth in another match before the state tournament.
